

SHIMANO Chain "NX 10"

Description

Chain NX 10 from SHIMANO

The NX 10 from SHIMANO is ideal for internal gear hubs and singlespeed drives.

As the chain is made of steel with 114 links, it is particularly hard-wearing. A special anti-rust coating makes the chain particularly robust and hard-wearing.

Article number:	03341401
Original number:	ECNNX10C114I
EAN:	4524667128441
EVP:	11.95 €
