

Product data sheet

CONTEC Fixture Strap "String"

Description

A classic in black: The CONTEC "String" bungee cord holds gear securely in place on the bicycle. This bungee cord by CONTEC scores with high elasticity. It can be used to flexibly place gear on the rack. The extra-strong hook is securely fastened to the belt and can handle loads.

The round design makes using this bungee cord comfortable. The well thought out nylon casing protects hands and gear as well as the rubber inside. A simple highly efficient bungee cord!
