

Product data sheet

VICTORIA Electric SUV "Avyon 11" (#1)

Description

The AVYON 11 is the ultimate all terrain bike for adventurers who are at home in the urban jungle as well as on easy trails. With its full StVZO equipment and robust Maxxis tires, you can ride safely and in style. The MIK system Carrier offers versatile transport options for your adventures.

Comfort and function

The RockShox Recon RL Suspension Fork ensures a comfortable ride on rough terrain, while the adjustable Stem and the 680 mm wide offset Handlebar provide a comfortable and flexible riding position. The Suspension Dropper Post seatpost offers additional adaptability and comfort on demanding routes.

Technical data

The AVYON 11 is equipped with a Performance Line CX drive and a PowerTube 800 Battery, which provide you with sufficient power and range. The Shimano Hub with Thru Axle at the front and the 3x3 Nine eShift at the rear ensure a seamless transmission with an impressive range of 554 %. The Kiox 500 Display also provides all the important information at a glance.

Target group

The AVYON 11 is your perfect companion if you are looking for adventure and freedom and want a bike that excels on any terrain. Ideal for anyone who longs for freedom but doesn't want to compromise on comfort and style.
GEAR RANGE: 554 %
