Description

Ideally equipped for tough everyday use
Long service life, low weight and comfort make a good city pedal. The CONTEC city/comfort pedal "1Trip" impresses with its sealed cartridge bearings on a CrMo axle with 9/16" thread in the stable aluminium body. The durable plastic cage is equipped with a non-slip contact area and yellow reflectors and offers the best support and comfort in any situation.

The "1Trip" weighs only 270g and is ideal for city bikes used daily.
