Description

INTERPHONE "Sync 55 Smart Display" Infotainment System For using Apple CarPlay and Android Auto on a motorcycle or in a car.

Allows you to mirror your smartphone screen via a wireless Wi-Fi connection. This keeps all smartphone functions—such as calls, navigation, etc.—available while your smartphone stays safely in your bag.

Thanks to the Quiklox system, the RIDESYNC can be mounted on any Quiklox Holder. 5.5" Display, IP66 waterproof, 182 g, dimensions: (L x H x W): 15 x 7.7 x 1.7 cm.

Package contents: RIDESYNC device, USB-C to USB-A Power Cable, USB-C Power Cable for connecting to the motorcycle battery, Universal Bracket for round tubes Ø 12–30 mm

Note: This device does not have its own Battery and only works when powered by the vehicle's Power Supply., **black**
