Product data sheet

AXA Chain Link "Linq"

Article number:	03522308
Original number:	59002795KS
EAN:	8713249346892
EVP:	**77.95 €**

Technical data

Design	chain lock
Diameter	9.5 mm
Main colour	black
Length	100.0 cm
Material 1	nylon
Material 2	steel
Locking type	key
Weight	2.622 kg
Safety	maximum

Description

Strong for good protection
The "Linq" from AXA is an extra strong lock because the chain links extend into the Connector. The high-quality chain locks are ideal for (additional) protection of your bike.

The smooth-running locking mechanism can be operated with a symmetrical key. It doesn't matter which side of the key you insert into the lock. The last chain link is fixed in the lock housing by a so-called "deadbolt" for a particularly secure connection.

The rubber handles on the lock housing provide additional grip when operating the lock. AXA also offers its international online key service for the "Linq".

The chain locks have a length of 100 cm and are supplied with a black cover.
