## BRAVE Grip "Touring"

### Description

Brave Grips "Touring" - comfort and control on every ride

With the Brave "Touring" grips, you can enjoy every ride to the full.

These 135 mm long, ergonomically shaped screw-on grips made of Kraton rubber (TPE) offer you a high level of comfort and effectively absorb shocks. Thanks to the simple clamping mechanism and the reinforced inner tube, the grips sit firmly on the Handlebars. They are free from plasticizers and weigh just 128 g. Available in different paints, they perfectly match your style and your bike. Discover the difference with the Brave "Touring" grips.
