

Product data sheet

Qio Adapter

Description

Important items always to hand: The Qio adapter can be used to attach various accessories directly to the steering tube of your Qio EINS. It is compatible with a Bottle Cage, so that you can quickly grab your Water Bottle even at full speed, and the Folding Lock from our Accessories range. The Adapter itself can be attached to the eyelets on the steering tube - you can choose whether you want it on the right or left side.
