

Product data sheet

ALLIGATOR Dunlop Valve "Universal"

Article number:	03300050
Original number:	4000/100
EAN:	4260038550410
EVP:	1.35 €

Technical data

Main colour	silver
Secondary colour	green
Material 1	steel
Material 2	plastic
Weight	0.002 kg

Description

ALLIGATOR Dunlop valve "Universal"

suitable for Dunlop, Schrader and Sclaverand valve body

Not compatible with slitted Dunlop-body / Airmax valves. The dual-seal design prevents the escape of air, holds the "race bike pressure" till 8 bar without problems. The burst pressure is well over 25 bar. **For Schrader valve required extra cap nut 0.330.501/8, package -100 pieces = MOQ**
