

CONTEC CO2 Cartridge Pump "Inflator Micro"

Description

The portable, efficient CONTEC CO2 cartridge pump "Inflator Micro" is ultimate equipment for road cyclists. The practical bicycle pump fits Schrader and Presta valves. Thanks to the minimalist CO2 cartridge attachment, this accessory hardly needs any space and fits in every jersey pocket.

The appropriate modulation is triggered or stopped by turning the cartridge. The cartridge pump in black is suitable for 16 g light cartridges with a thread. Such a CO2 cartridge (110 mm long) is included in the scope of delivery. Ideal for immediate use.
