Description

An all-around bike for the city and the great outdoors. The Tresalo 6 from Victoria is your reliable everyday and recreational companion that performs equally well in the city and on dirt roads. With high-quality, StVZO-compliant equipment and SCHWALBE puncture-resistant tires, you'll enjoy safety and comfort on every ride. The practical MIK System Carrier offers flexibility for bags, baskets, or child seats.

Comfort Meets Functionality
The Suntour Suspension Fork with a Thru Axle guarantees a smooth ride even on uneven paths, while the adjustable Stem and drop Handlebars ensure a comfortable, personalized riding position. The rigid Saddle provides stability and control, making it ideal for relaxed rides in nature. The HTM interface on the headset allows for the attachment of various front carriers from the Victoria accessory line, making it even easier to carry smaller items.

Technical Specifications
The Tresalo 6 is equipped with a 9-speed Shimano derailleur and reliable Shimano disc brakes. The Bosch PX drive system, combined with the PowerTube 600 battery, provides powerful assistance on all your rides. The Kiox 300 display provides you with all relevant ride data at a glance, so you're always well-informed. All carriers feature a second, lower crossbar to which panniers can be attached.

Target Audience
The Tresalo 6 is your ideal comfort utility bike if you value a balanced price-to-performance ratio and reliable technology. A classic companion for anyone who wants to combine riding enjoyment with practicality.
