Article number:	02921082
Original number:	BK26HV8060
EAN:	4251971179592
EVP:	**4299.00 €**

Description

An adventure e-bike for all terrains. The AVYON 6 is your perfect all-road companion if you want to ride on both pavement and light off-road trails. With robust features, including the RockShox Recon Silver RL Suspension Fork, you'll effortlessly master uneven trails and enjoy riding on any surface. The Busch&Müller lighting system with 150 lux and integrated high beam ensures optimal visibility and safety during your rides in the dark.

Comfort and Functionality
The adjustable Stem and the 680 mm wide, drop Handlebars offer you a comfortable and customizable riding position, while the Ergotec Seatpost guarantees additional comfort. The MIK system carrier allows you to securely attach bags or baskets, perfect for spontaneous getaways or longer trips.

Technical Specifications
Equipped with a 10-speed Shimano Deore rear derailleur and Shimano disc brakes (203 mm front, 180 mm rear), the AVYON 6 guarantees precise shifting and powerful braking performance. The Performance Line PX drive and the PowerTube 800 Battery provide reliable support on all your rides. The Kiox 500 Display shows you all important ride data at a glance.

Target Audience
The AVYON 6 is your ideal companion if you want to experience the freedom and versatility of a modern e-bike built for adventures off the beaten path. With its sporty design and reliable technology, it's perfect for anyone who loves spontaneity and dynamism but doesn't want to compromise on comfort and quality.
Gear ratio range: 327%
Wheelbase: 2.34 to 7.65 m.
