Product data sheet

bollé Helmet "Halo React MIPS"

Article number:	03654415
Original number:	BC410004
EAN:	054917321079
EVP:	**199.95 €**

Description

BOLLÉ helmet "Halo React MIPS"
a large part of the helmet is made from recycled materials
EPS with 20% cork
AVID Progressive EPS - A mix of EPS of different densities ensures that both strong and light impacts are optimally absorbed. At the same time the material remains light and allows the best possible ventilation
MIPS B32 - The MIPS technology allows the helmet shell to move relative to the head in the event of an oblique impact. This protects the brain from rotational forces and certain injuries
click-to-fit system - height adjustment system
14 white LEDs at the front and red rear light at the back (rechargeable)
visor and straps with reflective line
COOLMAX padding
ventilation - 13 vents provide optimal ventilation
weight: 350g (size M, **platinum, size S (52–55 cm)**
