

Product data sheet

BRENNABOR City bike "C-17" Mod. 24

Description

The city bike consists of an aluminum frame and is equipped with a 7-speed SHIMANO "Nexus" coaster. The drives are via a chain. It has a Hub Dynamo that serves as a light source. The step-through frame makes it easier to get on and off and ensures comfortable handling. Fenders and a chain guard are integrated into the equipment. The permissible system weight is 130 kg. The braking system consists of a Rim Brake and a coaster brake. The color designation is dark blue / silverstar.
