New Balance Loafer "Elite Lite Womans"

Description

NEW BALANCE low shoe "Elite Lite Womans"
S1P, safety low shoe, mixed leather and fabric, various paints
The shoe offers all-day protection thanks to its fiberglass toe cap and Debris Free construction. The ACTEVA Performance midsole technology provides support, cushioning and flexibility. With a modern and lightweight flexible leather and fabric upper that offers a good balance between durability and breathability, it is suitable for a wide range of light industry conditions. With textile penetration protection, non-slip outsole, pull loop at the heel, fiberglass toe cap, NB comfort insole and heel support. The shoe is metal-free (suitable for airports) and complies with the ESD, EN ISO 20345:2022, FO, HRO, S1, S1P, S1PS, SC, SR standards., **blue, size 43**
