

Product data sheet

KMC Chain "Z8"

Description

8-speed chains from KMC

The Z8 is a versatile chain. It is ideal for your trekking bike, MTB or road bike.

The Z8 is suitable for 8-speed drives. As the chain with its 114 links is made of steel, it is particularly hard-wearing.

The special anti-rust coating makes the chain particularly hard-wearing. In order to be able to close the chain properly, a Connecting Link is included in the scope of delivery, which connects the two loose ends.
