KMC Chain "X12"

Description

KMC Chain 12-speed

On the MTB, the chain is exposed to comparatively high forces and must be able to withstand encounters with dust, dirt and moisture. The X12 chain from KMC has been specially developed to meet these requirements.

If you ride a bike with a 12-speed drive, the X12 chain is just right for you. As the chain with its 126 links is made of steel, it is particularly hard-wearing.

A special anti-rust coating makes the chain particularly robust and hard-wearing. In order to be able to close the chain properly, a Connecting Link is included in the scope of delivery, which connects the two loose ends.

Article number:	03343225
Original number:	BX12NB126
EAN:	4715575897486
EVP:	29.90 €

Technical data

Amount of chain links	126 pcs.
Width	5.2 mm
Width in inch	11/128 "
Main colour	silver
Secondary colour	black
Incl. connecting link	yes
Material 1	steel
Shifting type	derailleur shifting
Weight	0.286 kg
System compatibility	12-speed
Division	1/2
