### Description

**Safe and comfortable on the road**
Good grip and comfortable riding on the way to town or on the way to work. The CONTEC city/comfort pedal "Trip" made of a light and durable plastic body and plastic cage with anti-slip coating is a pleasant companion for everyday life. The yellow reflectors increase visibility in the dark and smooth-running ball bearings on a robust CrMo axle ensure easy pedalling and a long service life.

The "Trip" is self-service packed and weighs only 244g, it is a solid and comfortable pedal.
