

LIQUI MOLY Additive "Motor-System-Reiniger Diesel "

Description

LIQUI MOLY "Diesel Engine System Cleaner" additive
For all diesel engines (including common-rail and pump-nozzle high-pressure injection systems) with or without a diesel particulate filter (DPF)
For direct addition to the fuel tank. Removes harmful deposits from high-precision components such as injectors and the high-pressure pump, ensuring optimal performance. Furthermore, expensive components of the fuel injection system are protected by lubrication enhancers and corrosion inhibitors. Restores the engine's original performance and ensures low emissions. Sufficient for a maximum tank capacity of 75 liters. Can be added to the fuel at any time. The product mixes automatically., **300 ml can**

Article number:	41135807
Original number:	5128
EAN:	4100420051289
EVP:	28.00 €

Technical data	
Design	additive
Range	fuel system
Container type	can
Content	0.3 l
Type	vehicle, commercial vehicle, small devices, oldtimer, marine
Fuel-efficiency (A-G)	diesel
Weight	0.252 kg
