Castrol Fork oil "Fork Oil"

Description

CASTROL "Fork Oil"

Mineral oil-based Fork Oil. Good damping properties at all temperatures. Good air separation properties for reduced foaming. Wear protection for extended service life of fork components. Protection against corrosion of internal components, **500 ml water bottle, 20W**

Article number:	05706593
Original number:	15F1EC
EAN:	4008177181344
EVP:	11.42 €

Technical data

Range of application	motorcycle
Container type	bottle
Content	0.5 l
Type	fork
Quality	mineral
Weight	0.430 kg
Viscosity	20W
