CONTEC Bottle Cage "Basket Cage"

Website

https://www.contec-parts.com

Article number:	03194508
Original number:	N+1-BC126C
EAN:	4251971170742
EVP:	**20.95 €**

Description

Light as a feather yet robust - the Basket Cage water bottle holder is particularly suitable for cyclists who want to have as little weight as possible on their bike, for example road cyclists. The holder is made of a nylon-carbon mix and is therefore super light at just 17 grams!
