

Product data sheet

MIRANDA Crank "Delta 0"

Description

Crank Spider Delta 0 from MIRANDA

The Delta 0 from MIRANDA is a left-hand crank arm available in 175.0 mm length. Because the crank is made of aluminum, it lasts particularly long and saves weight. Does your bike have a square bottom bracket? Then this part fits it perfectly. The crankset is designed to withstand the high forces on pedelecs. This is what the addition "E-Bike-special" stands for.
