Description

Experience the world of comfortable cycling with the SELLE ROYAL "ON Open Athletic" saddle - the perfect choice for a dynamic riding experience on your E-MTBs, MTBs or on city and trekking tours. Thanks to its innovative Royalgel technology, this saddle offers first-class shocks and pressure relief to make every ride comfortable.

The waterproof "ON Open Athletic" Saddle was specially developed for demanding riders and offers improved pressure relief in the sensitive body area thanks to its ergonomic cut-out. Whether you're climbing steep climbs or whizzing through the city, this saddle supports you with its innovative design and ensures a pleasant riding experience.

With the integrated ICS mount, you can easily attach accessories such as saddle bags or rear lights and customize your bike according to your personal preferences. A variable seat angle of around 45° supports a dynamic riding position for an unforgettable riding experience with the SELLE ROYAL "ON Open Athletic" Saddle.
