Description

The QiO "Compact P5" is your smart companion for everyday life—compact, powerful, and stylish. With the Bosch mid-drive motor, Smart System, and 545 Wh Battery, you can fully enjoy dynamic assistance up to 25 km/h. The low-maintenance belt drive and the 5-speed Shimano “Nexus” hub gear system ensure a quiet, smooth ride—ideal for both city riding and touring.

The 20-inch wheels and sturdy aluminum frame offer agility and comfort. The low step-through makes it easy to get on and off the bike.

Hydraulic disc brakes, fenders, and a maximum weight capacity of 180 kg make the QiO “Compact P5” a true everyday hero. Everything fits perfectly—for you and your active lifestyle.
