BUSCHiNG Drive-up ramp

Article number:	65038507
Original number:	100894
EAN:	4026736532000
EVP:	**223.15 €**

Technical data

Drive	mechanic
Design	lift
Width	48.0 cm
Main colour	black
Type	2-post lift
Length	100.0 cm
Material	rubber
Weight	23.200 kg

Description

BUSCHING Ramp
u**niversal, rubber, for lifts, 50 x 480 x 1000mm, incl. 2 integrated handles**
Suitable for all scissor lifts, as well as 2- and 4-post lifts. The ramps enable the vehicle's approach angle to be reduced in order to avoid contact with the sill or the underbody. Furthermore, due to the elevated position of the vehicle, a rubber block or the support arm fits between the lifting platform and the vehicle, so that safe lifting is ensured. Made of dense high quality rubber granules, the ramps are very resistant as well as liquid repellent and due to the high weight, the panels rest firmly on the ground without the need to fix them., **weight: 23,2kg**
