CONTEC Kickstand "Babyfant"

Description

A helper for everyday life

In everyday life or in your leisure time, practical use is paramount. You want to have to worry about as little as possible. Everything should simply be taken care of. This is exactly where the "Babyfant" Kickstand from CONTEC comes in. On the one hand, as a popular attachment, it guarantees that the rider can park their bike comfortably anywhere and at any time. On the other hand, it impresses with its easy handling. It is adjustable for wheel sizes from 12 to 16" and can be easily mounted with an inside hexagon and spring washers.

The stand is made of aluminum and has a plastic base. It is available in the paints silver and black and weighs 180 g. The bike stands stably on it.
