Description

Waterproof & individually adjustable
To stay dry in rainy weather while you are on the road with your bike, there are some handy little helpers. The "Safe R Head" from CONTEC is a waterproof hood that you can pull over your bike helmet. Thanks to elastic band and cord closure, you can adjust the hood individually to the helmet size, so that no rain penetrates. The reflective stripes serve for increased visibility in road traffic, which is especially important in cloudy rainy weather. Dimensions (LxW): 32 x 25mm.
