Description

The QiO "EINS+ P-5" offers state-of-the-art technology and user-friendliness in an elegant design. With advanced features and improved performance, it's the ideal choice for anyone who values quality and reliability. This compact e-bike impresses with a maximum rider weight of 150 kg and a total permissible load of 180 kg. Thanks to the Gates CDX belt drive, the e-bike is virtually maintenance-free, making it ideal for everyday use and leisurely rides.

Experience a faster and smoother ride thanks to the latest processors and optimized software. Enjoy greater independence with the Bosch "Performance Line" engine and longer battery life thanks to the 800 Wh Powerpack. The intuitive Interface and ergonomic design make operation simple and enjoyable. The "Front Rack BEN" Carrier comes standard and tastefully rounds out the bike's functionality.
