BASIL Basket "Dax"

Description

The Basil "Dax" front basket is a stylish and practical addition to your bike. Made from high-quality rattan and finished in an elegant gray, this rectangular baskets offers plenty of space for your errands. It comes without fastening material and without a cover, which makes it particularly light and flexible. The practical handles make it easy to transport. The baskets are available in two sizes so that you can choose the right version for your needs. An elegant and functional companion for every Fahrer.
