

Product data sheet

ALL BALLS Racing Service Kit

Description

ALL BALLS RACING Service Kit Fork

Each set was subjected to 500,000 shocks on a test bench and tested. The test results show significantly less wear than the OE parts installed by the manufacturers. This is why these fork repair kits are not just simple spare parts but are also used to optimize performance on race tracks in the enduro and road sector due to their higher load capacity.

The set contains: Sliding bushes, Seal Ring, Circlips

The set contains **none** Fork simmerrings and Dust Caps, **38-6088**

Article number: 04438701
