Product data sheet

SECURITY plus Chain Link "SKS 140"

Article number:	03524907
Original number:	12026901
EAN:	4016232063924
EVP:	**35.90 €**

Technical data

Design	chain lock
Diameter	6.0 mm
Main colour	black
Length	140.0 cm
Material	steel
Locking type	code combination
Weight	1.413 kg
Safety	normal

Description

Chain Link from SECURITY PLUS The SKS 140 from SECURITY PLUS is a secure and very flexible chain lock. With its individual chain links, it is resistant to attacks from saws or bolt cutters. Thanks to the mobility of the short elements, the Lock is also very flexible in terms of connection options. You can pull it through the Frame or Wheel and chain it to a fixed object. Once locked, the SKS 140 chain locks can be reopened with a numerical code. Because the SKS 140 is made of steel, it is particularly resistant to sawing attacks.
