Product data sheet

ANSMANN Rechargeable Battery "maxE"

 Article number:
 03150075

 Original number:
 5035052

 EAN:
 4013674350520

Technical data

Design mignon (AA)
Main colour silver
Capacity 2100 mAh
Weight 0.110 kg

Types rechargeable battery

Voltage 1,2V

Description

ANSMANN rechargeable battery "maxE" self-service package, 1,2V

The maxE-Technology has revolutionized the accumulator and battery market and offers the ultimate in relation to capacity, low self-discharge and durability, maxE batteries are pre-charged and can be used immediately, 1 set = 4 pieces, mignon (AA/HR6), 2100mAh
