Product data sheet

Continental Tires "Grand Prix 4-Season"

Article number:	03536455
Original number:	01001730000
EAN:	4019238409093
EVP:	**78.95 €**

Technical data

Design	foldable tires
Range of application	road
ETRTO	23-622
Main colour	black
Secondary colour	grey
Wheel size	28 "
Material	synthetic rubber
Weight	0.230 kg
TPI / EPI	3x 330

Description

The all-weather tire
Rain and wet conditions can't harm you? Great, neither can the "Grand Prix 4-Season" from CONTINENTAL. The foldable tires are made for bad weather. Its brown sidewall makes it stand out from the crowd.

This handmade in Germany tire is characterized by its excellent wear resistance and high mileage. It offers excellent grip on wet roads and at low temperatures. Thanks to the DuraSkin fabric and the Vectran Breaker, it is also optimally protected against cuts and chipping on both the sidewalls and the tread.

Fun fact: Vectran is a fiber made from polymers with five times the tensile strength of steel. Vectran is used, for example, in astronauts' tethers.
