Original number:	KHA250001
EAN:	4251971149816
EVP:	**3399.00 €**

Description

The Victoria FYLGRAN 1 is the best solution for anyone who commutes to the train station by bike and wants to comfortably take their bike on the train. Or for those who spend time at a campground and want a nimble bike. Or simply for anyone who's looking for a foldable e-bike with compact dimensions and a full range of features.

When folded—including the pedals and Handlepost—the e-bike measures a remarkably compact 88x77x38 cm (W/H/D), making it easy to store at home without taking up much space. But once you're out on the road, a 400 Wh battery powers the Bosch "Active Line Plus" engine. This, in turn, delivers smooth propulsion and a natural riding experience.

The FYLGRAN 1 is equipped with the Shimano 5-speed "Nexus" hub gear system (available with either a freewheel or a coaster brake). Hydraulic disc brakes provide reliable stopping power, maintaining strong braking performance even in wet conditions.

The 30-lux Front Light and the system Carrier make this e-bike perfectly suited for commuting. As the icing on the cake, the Rear Light is elegantly integrated into the Carrier, ensuring increased visibility in traffic.

Technical data

Battery capacity	400.0 Wh
Features	frame lock, system carrier, deep entry, chain guard, electronic sliding aid, fender
Torque	40 Nm
Colour designation	bright mint
Main colour	green
Gender	unisex
Gears	5-speed
Type	folding bike
Wheel size	20 "
Material	aluminium
Engine power	250 W
Frame height	45 cm
Weight	23.400 kg
Permissible system weight	120 kg
Passage width	201 mm
Access height	380 mm
Chainstay	434 mm
Toptube	622 mm
Wheel distance	1133 mm
Reach	483 mm
Seat tube	457 mm
Seat angle	73.0 °
Stack	455 mm
Steering tube	190 mm
Steering tube angle	70.0 °
