VICTORIA Electric SUV "Avyon 10" (#1)

Website

https://www.victoria-bikes.com

Article number:	02920540
Original number:	KHA250540
EAN:	4251971151703
EVP:	**4499.00 €**

Description

Based on the AVYON 12, the "AVYON 10" differs only in its anti-lock braking system—which is not specified here—and its suspension Seatpost, which cannot be lowered. Otherwise, it is technically identical to the top-of-the-line model.

The Bosch Smart System combination—featuring the Performance CX drive, PowerTube 750, and Kiox 300 color display—represents the drive manufacturer's current state-of-the-art technology and is therefore a perfect fit for our premium overlander.

Added to this is the eFlow app, which pairs easily with the Bosch Smart System and offers a wide array of additional features. These include, among other things, access to navigation services from Strava or Komoot. Riders switching to the Smart System—and current users alike—will be thrilled by the new possibilities, as the bike doesn't just want to be ridden—it now literally invites you to ride it.

The "AVYON 10" is also available in two frame versions. As with all new VICTORIA models, the integrated batteries are removed from the top for charging. This means there's no risk of the battery falling out if handled improperly. However, given the large capacity and the resulting weight of the battery, we recommend charging it directly on the bike whenever possible, whether at home or on the go.

Technical data

Battery capacity	750.0 Wh
Features	suspension fork, system carrier, chain guard, electronic sliding aid, fender
Torque	85 Nm
Colour designation	anthracite grey matt
Main colour	grey
Secondary colour	black
Travel	100 mm
Gender	gents
Gears	11-speed
Type	SUV
Wheel size	27,5 "
Material	aluminium
Engine power	250 W
Frame height	48 cm
Weight	29.400 kg
Permissible system weight	140 kg
Chainstay	467 mm
Toptube	612 mm
Wheel distance	1155 mm
Reach	410 mm
Seat tube	480 mm
Seat angle	73.0 °
Stack	650 mm
Steering tube	150 mm
Steering tube angle	69.0 °
Standover height	811 mm
