CONTEC Folding Pedal "Folder"

Description

Flexible space wonder

Those who take their bike with them enjoy greater flexibility. Whether in the train or on a bicycle rack, car or camper - the CONTEC folding pedal "Folder" self-service packed with practical folding mechanism can help store the bike in a space-saving way. The pedals weigh about 328 g and consist of a robust, extremely light plastic body and plastic cage and an axle made of sturdy CrMo steel with 9/16" thread.

Smooth-running ball bearings guarantee effortless pedalling, while integrated reflectors ensure safety. Ideal for bicycles transported by bus, train or car.
