

Product data sheet

CyclOn Chain Grease "All Weather Lube"

Article number:	03565744
Original number:	20517
EAN:	8713504011404
EVP:	8.50 €

Technical data

Range of application	bike
Container type	spray can
Content	0.1 l
Type	care, lubricant, grease
Weight	0.120 kg

Description

CYCLON chain grease "All Weather Lube"

with PTFE, permeates smallest column and openings and forms a thin lubricating layer, water resistant, protects against corrosion, dirt and moisture and extends the lifetime, increases the smoothness during the shifting process and reduces friction, P.T.F.E-containing lubricant for long lasting lubrication, temperature range: -30°C till 120°C, suitable for chains, shifters and cables, **100ml spray can**
