

Product data sheet

KMC Chain "X8"

Description

KMC Chain 8-speed

The X8 is a versatile chain. It is ideal for your trekking bike, MTB or road bike.

The chain is compatible with 8-speed drives. As the chain with its 114 links is made of steel, it is particularly hard-wearing.

In order to be able to close the chain properly, a Connecting Link is included in the scope of delivery, which connects the two loose ends.
