Product data sheet

KNIPEX Wire stripper "Elektro-Installationszange"

Article number:	62850565
Original number:	13 96 200
EAN:	4003773075110
EVP:	**82.65 €**

Technical data

Application	cutting, stripping, gripping, bending, deburring
Design	special pliers
Main colour	silver
Secondary colour	red
Weight	0.298 kg
Type	wire stripper

Description

KNIPEX Wire Stripper "Electrical Installation Pliers"
Multifunction pliers for electrical installation, 6 functions in one tool
For gripping flat and round materials, bending, deburring, cutting cables, stripping, and crimping wire end ferrules. Cutting capacity for copper (CU) cables, multi-strand: Ø 15 mm or 50 mm²; stripping capacity for individual wires: 0.7–1.5 + 2.5 mm²; capacity: 0.5–2.5 mm², insulated with multi-component jackets, length: 200 mm.

Features: Smooth sliding surfaces at the tip for damage-free gripping of individual wires. Profiled gripping surfaces and a burner hole for gripping flat and round material. Distinctive outer edge on the jaw for working on flush-mounted boxes and deburring feed-through holes. Stripping holes for conductors 0.7–1.5 mm² and 2.5 mm². Crimping nest for wire ferrules 0.5–2.5 mm². Cable cutters with precision blades (induction-hardened) for copper and aluminum cables up to 5 x 2.5 mm² / Ø 15 mm. Handle design, screw-fastened joint, precise, play-free operation of the pliers.
Note: For safety and liability reasons, a general return policy for high-voltage (HV) tools is excluded., **chrome-plated, VDE-certified, ICE 60900 DIN EN 60900**
