

Product data sheet

KMC Chain "X11"

Description

KMC Chain 11-speed

Tarmac or off-road - the X11 chain from KMC shows its strengths on off-road bikes and road racers alike.

The X11 is suitable for 11-speed drives.

A special anti-rust coating makes the chain particularly robust and hard-wearing. In order to be able to close the chain properly, a Connecting Link is included in the scope of delivery, which connects the two loose ends.
