

Product data sheet

Selle Royal Saddle "Manhattan"

Description

Comfort par excellence

The "Manhattan" is one of the most robust and widest saddles in SELLE ROYAL's premium line. It is perfect for the relaxed riding position, where the rider usually sits relaxed on the bike with a spine angle of 90°.

The "Manhattan" features the patented RVL ("Royal Vacuum Light") sealing technology for excellent water resistance. It is also equipped with Royalgel padding. This guarantees the highest level of comfort by reducing pressure peaks by up to 40 %.

The dual spring system also ensures ideal shocks.
