

Product data sheet

MAHLE Air conditioning compressor oil "PAO Öl"

Article number:	411120K0
Original number:	ACPL 15 000P
EAN:	4057635040457
EVP:	40.30 €

Technical data

Design	additive
Range	interior / climate
Container type	bottle
Content	0.5 l
Type	vehicle, truck, commercial vehicle
Weight	0.460 kg

Description

MAHLE AC Compressor Oil "PAO Öl"

fully synthetic, NOT hygroscopic refrigerant oil, viscosity class: AA1 (ISO 68)

For air conditioning systems with refrigerant R134a, partly for R1234yf and other refrigerants. Alternatively usable instead of the different PAG oils offered for R134a (with the advantage of being non-hygroscopic. It does not absorb moisture from the ambient air). For lubrication of most car and commercial vehicle air conditioning systems, except vane compressors.,

"PAO 68 Plus UV", 500ml bottle, with admixture of a contrast agent for UV leak detection

(NOT suitable for hybrid vehicles with electric compressors and refrigerant R1234yf)
