Description

ACE BIKES "Tyrefix Essential" transport securing system

Special tire strap fastening system for quick additional lashing of motorcycles and scooters of all kinds. **Suitable for all tire sizes** and equipped with special anti-slip material on the inside.

The Tyrefix can be used to additionally secure the front or rear tire on a trailer or transport vehicle. The vehicle must also be secured with other lashing straps to ensure that it is properly secured for transportation. It must not be used alone for transport securing!, **lashing force: 500 daN**
