

## CONTEC Stem "Lida Hybrid"

### Description

#### Ahead adjustable stem Lida

The stem is the connection between the fork and handlebar. Through it, the seating position is adjusted in detail to the rider's preferences. Whether sporty or relaxed. The length and angle of the stem are decisive for the seating position. The CONTEC ahead stem Lida is clamped on the outside of the 1 1/8" steerer tube. The stem is angle adjustable.
