### Description

The Fizik "Vento Antares R1 Adaptive" Saddle is a high-quality Road Saddle in elegant black. With a length of 275 mm and a frame diameter of 7 x 9 mm, it offers optimum comfort and stability. The tires and frame are made from lightweight and robust carbon, while the scarves are made from a combination of nylon and carbon. The saddle has a cut-out and an ICS mount. It is easy to fit thanks to the patented seat post mount. Ideal for demanding road cyclists who value quality and performance.
