**Article number:** 02907624

**Original number:** SH-5312FL

**EAN:** 99999999

**EVP:** 149.95 €

### Description

#### VICTORIA transport bag

More stable and more heavily padded than the lightweight VICTORIA carry bag is the transport bag specially designed for the VICTORIA eFolding models. With it, your VICTORIA eFolding is well prepared and protected for your trip.

Thanks to the castors, this can be pulled behind like a trolley and with the two holding loops on the side, it is also very easy to carry.
