

CONTEC Aluminium Rim "Zen 24"

Description

The CONTEC Zen 24 Aluminium Rim forms the frame for a reliable wheel that makes your daily commute by (e-)bike even smoother. It's suitable for 24-inch wheels with 32 spokes—for example, larger children's bikes or smaller adult bikes. Thanks to its hollow-chamber construction, the aluminum Zen Rim is suitable for a system weight of up to 150 kg. E-bikes can also be easily equipped with this rim. With an inner rim width of 21 mm, tires ranging in width from 35 to 62 mm fit on the rim.
