## **bollé Helmet "Stance JR"**

### **Description**

#### **Kids' Helmet**

The "Stance JR" for kids and teens has many of the same great features as the "Stance," but the fresh paints definitely set it apart. The reflective straps and Stickers on the back also help you stand out. The Helmet can also be equipped with an optional LED Rear Light.

The mesh lining in the ventilation openings is practical; it prevents insects from getting between the helmet and the head while riding. The openings are positioned so that the airflow can effectively cool the head. BOLLÉ's "Click-to-Fit" system ensures easy and precise adjustment of the "Stance JR" every time you put it on. Its inner lining is removable and washable. To suit different temperatures, BOLLÉ offers a winter and a summer lining.
