

Product data sheet

COREXX Windscreen de-icer

Description

COREXX de-icer

Ready to use, can also be used for inside windows, down to approx. -40° C
Defroster (based on an alcohol mixture) with cleaning effect and protection against re-icing. Suitable for conventional types of glass and polycarbonate windows. It removes hoar frost and ice from windscreens, outer mirrors and Front Lights and guarantees a clear view without streaking. Paints, metals, plastics and rubber are not affected., **500 ml spray bottle** (new design)
