

SPEC-X Engie oil "Bike 4T Street"

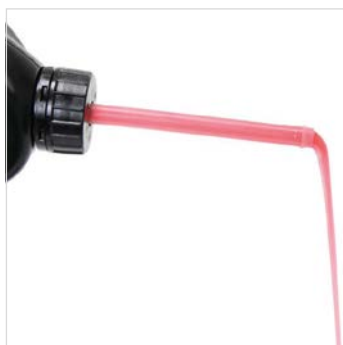

Description

SPEC-X Motor Oil "Bike 4T Street" 5W-40, 4-stroke, HC synthetic

Specially developed for use in 4-stroke motorcycles with wet-type oil-bath clutches. It is suitable for all motorcycles with a common oil circuit for the engine, clutch, and transmission, and, thanks to its enhanced friction coefficient requirements under JASO MA2, also delivers outstanding clutch performance. Provides excellent corrosion and wear protection for the engine and transmission, as well as high oxidation protection thanks to the HC synthetic base oils selected for this lubricant. Specifications and Approvals: API SL, JASO MA-2

MADE IN GERMANY - FILLED IN HOYA

SPEC-X lubricants are manufactured exclusively from high-quality first-run refined oils and special additives., **4-liter canister**
